

2021 Band Class Health and Safety Precautions

Saint Patrick School

- 6 feet distance between students side-to-side and front-to-back, please see green circles on floor for spacing idea
- 8 students max for each class
- All 5 windows open during class, air purifier on
- Face masks on at all times when students are not actively playing
- Students can slit a disposable mask if desired and wear during play - this optional item is provided by families
- Brass students must deposit spit onto puppy pads, not the floor - provided by families and **MUST** use a new one each week
- 45 minute limit on practices (50 minutes is current recommendation limit)
- Mint flavored rubbing alcohol and Sanitizing spray (both for mouthpiece sanitizing) will be available along with hand sanitizer - provided by Mrs. Warnick
- Students **MUST** bring their own music/stand, there can unfortunately not be any sharing if a student forgets theirs
- Students also cannot borrow an instrument if they forget theirs
- Any Questions? Please don't hesitate to ask!
- Suggestions for increased safety? Happy to hear them!
